

# Manifestation of the Spirit

**T**he Holy Ghost manifests for everyone to make profit. 1 Corinthians 12:7 says, **But the manifestation of the Spirit is given to each one for the profit of all** [NKJV]. The presence of the Holy Ghost also brings progress and increase. When you move with God, what appears like a brick wall does not stop you as you can promptly declare to that obstacle that the Holy Ghost has asked you to make progress and achieve results.

2 Corinthians 5:17 says: **Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.** By this scripture, you're not supposed to be operating on the basis of the old you. People should feel God when they meet you for the headquarters of heaven tabernacles in you. You represents God here on earth and your background does not matter.

You did not come to this world just like that. The world must feel you. The fire of God in your bones should enable franchise your testimony. The Holy Ghost can take you to a level where you become the one teaching others how to fish for out of the abundance we receive from above should we dispense to people who can then go and rule their world.

Staying connected to God will make people see Jesus when you come in contact with them. Christ was never stranded nor

broke all the while He lived on earth. He was a dispenser of good. A song about Jesus Christ has it that everywhere He went, he was doing good... The good measure, pressed down, shaken together and running over talked about in Luke 6:38 is the type of blessing that is your portion when you hunger after God. This type of blessing cannot be stopped or hampered because the source is the Almighty; the overflow is guaranteed because it is coming from a sea that never runs dry. No one can stop a man who is enjoying the running over experience because he excels in the face of attempts to pull him down. This is because the man is like the one talked about in Psalm 1:3. The scripture says: **And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.**

Meanwhile, the foregoing blessings can only come to a person who is connected to God. You will enjoy the overflow experience when you stay connected to God. This simply requires you to delight in the law of the Lord and meditate on the word of God day and night. When you're not happy with the way your life is going, call on the Holy Ghost to take over the driver's seat and you will see the difference because His manifestation is given to everyone to profit.

John 3:34 reveals that the reason Jesus' ministry was very powerful and impactful was because **God giveth not the Spirit by measure unto him.** The Spirit that was at work in Jesus was always charged and cannot be measured just like **Ezekiel 47:5 says: Afterward he measured a thousand; and it was a river that I could not pass over: for the waters were risen, waters to swim in, a river that could not be passed over.** This was the same waters that had been at ankle level. Being connected to God can attract you testimonies that are immeasurable. Once you have an encounter with God through the Holy Ghost, every torment and attack end. God wants you to stop swimming in shallow waters. He wants you to stop chasing after inconsequential things so that you can better handle real things of life. There is something deeper than your current experience, and God is ready to take you to fish in waters that cannot be passed over. Just encounter and stay connected to Him. This however requires hunger and thirst on your part as Matthew 5:6 makes it clear that those who hunger and thirst for righteousness shall be filled. Beloved, when you have this disposition, God will answer you even before you call on Him.

Joseph Aborowa
