

ANGELS AS WAITERS

Issue 20-1214

The early apostles enjoyed angelic ministrations because they always prayed in the Spirit. The Acts of the Apostles is suffused with instances of angels appearing to them or visiting the prisons to deliver them from the gulag. In fact when the angel freed Peter from prison, he went straight to the home where Christ's followers were. When a young lady reported to the brethren that incarcerated Peter was at the door, they doubted and said she must have seen his angel (Act 12:13-15). This points to the fact that they were used to seeing angels.

Angels on assignment can move your CV from the bottom to the top and make you get that dream job. Angels can also complete exams for believers and even pay school fees of Christ's followers who have no means. This can only be possible when you engage them by praying in tongues. Oh yes, there is something called the tongues of angels as 1 Corinthians 13:1 made us to believe.

When you pray in the Holy Ghost, the angels pick signals of what your needs and requests are. You may not understand what you're uttering but they do because it is a heavenly language. Hebrews 1:7 & 14 say: ***And of the angels he saith, Who maketh his angels spirits, and his ministers a flame of fire. 14 Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?***

Angels are meant to minister to believers. When you give them instructions in the Spirit, they go into action and make your prayer point come through. Angels do not need keys or passwords to gain access to the solutions you seek. They are ministering spirits detailed to minister to the needs of children of God. If you want more of this angelic ministration, then you would have to earnestly pray in tongues. The more fervent you pray in the Holy Ghost, the more angelic ministrations you will enjoy.

Angels can also guide you against making mistakes or being where you're not supposed to be. It's a spirit thing. When you try hard to achieve without success, then you would have to separate yourself and pray more in the spirit. Angels can work in both positive and negative manner. The negative aspect played out in Genesis 19:1-11 when the people of Sodom and Gomorrah sought to sleep with the angels who visited Lot. They blinded the men of Sodom in order to escape.

An angel can work on the minds of your interviewers in such a manner where they would be appreciating your tie when they should be grilling you with technical questions. Yet, this won't stop you from getting the job. Children of God shouldn't be suffering as the angels have a responsibility to minister to us.

However, they won't go into action until

they hear us speak their language which is heavenly. The more you pray in the tongues, they take instructions from you and get you the answers to your prayers. Angels work in mysterious ways, they can use the wife of the man sitting on your promotion to get him to do the right thing.

It's possible you have never engaged angels to run errands for you. The time to do so is now. You and angels are not in the same class, God has made you higher than them and a little lower than Elohim (Ps 8:5 NLT). Angels are waiters, they've been waiting all their lives to minister to your needs. You are struggling because you have never given them an instruction. Just as in top-class restaurants, the waiters, though standing by your table, will not serve you until you tell them what you want.

There is none of your needs that angels cannot bring or meet. When you give an instruction, they go all out to carry it out. But you must learn to speak their language by praying in the Holy Ghost. May the Lord give you utterance as you open your mouth to pray now, Amen!

GOOD REPORT

Growing up as an orphan was not easy. Considering that I have no connection whatsoever, I have been worried since my final year in the University of graduating without getting a job. During my service year, I kept praying for a good job after NYSC. I did not relent in applying for openings and kept going for multiple interviews. As God will have it, on the first of September I got my dream job with a multinational company. As if that was not enough, same week I got three other offers and had to withdraw two other applications. My life has truly been a testimony. I use this opportunity to tell someone looking up to God for a job that this year has not yet ended and what God cannot do does not exist. Believe that God will give you your dream job and it will come in a grand style in Jesus name, Amen!

This was as there was a lot of dancing, rejoicing and praises to God with blessed members coming to return all glory to God. Atinuke was dedicated by Senior Pastor Joseph Aborowa in the name of the three Godheads. She was anointed and had blessings

poured on her. Also among those who danced to the altar were two newly wedded members of the church. God's Servant proclaimed blessings on the new homes and marriages, stressing that their homes will not be broken neither will any evil occurrence happen to them. For other members who also trooped out to the altar to thank God for sundry benefits they've enjoyed, Pastor Aborowa declared that their testimonies will be permanent and not turn to sorrow. The message for the day was centered on Thanksgiving and Praises.

As a responsible organization, we do not want to inconvenience our neighbours neither do we want a situation where your car or items in your car are burgled.
