

YOU'RE A GOD

Issue 21-0121

Though we are in this world, we are not of this world. The weapon of our warfare can't be seen with the two optical eyes. Our approach to challenging situations is not the same as the strategy of humans. We win through a different route. ***This is because our citizenship is in heaven, according to Philippians 3:20 [NIV].*** Lack of knowledge of who you are will make you walk in darkness. Unfortunately, this ignorance affects the earth so much so that ***its foundations are out of course.***

In Psalm 82:6, we were identified as ***gods*** who shouldn't die like mortals. Tragedies suffered by humans should not be your lot. Go into this year with god mentality for without this mindset, you can't exercise the dominion you've been privileged with. A god is never stranded but knows what to do in every situation. In Exodus 7:1, God categorically told Moses: ***See, I have made thee a god to Pharaoh.***

Indeed, your deliverance starts when you come to terms with who you are. God can't help you if you fail to see that you have been made a god to 2021. It starts with your "seeing", which helps in setting faith on fire. Proverbs 19:18 tells us clearly that people perish where there is no vision. If you can't see what God has made you into, you risk living without realizing your potentials.

God was not asking Moses to see with his physical eyes but to use his spiritual eyes to realize that he has been made a god unto pharaoh, who represents problems

and all manner of obstacles you can think of. You are superior to whatever is afflicting you, you have the capacity to overcome challenges. Think big and leave the shallow waters for the deep. You're a god to your world and should easily do supernatural things.

Don't be blinded or limited by your qualification, experience and exposure; what is impossible with men is a cakewalk with God. The God we serve is a creative God. He stepped out of eternity to create the heavens and the earth with His words. Genesis 1:1 tells us that: ***In the beginning God created the heaven and the earth.*** What was created was void and without form and God went on to speak things into being in perfect order.

God is a methodical and scientific God; He created the land before the grass and herbs just as he did the sea before speaking fishes and other aquatic animals into existence. You have what it takes to create the kind of world you desire. God wants you to replicate His works hence He conceptualized you to be god in Genesis 1:26 thus: ***Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.***

The extent of dominion given to man by God in this verse truly makes him a god. Assuming that this factory fitting or installed capacity is insufficient to make you a god, the blessings which

God pronounced on you during creation should: ***And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth [Genesis 1:28].***

Note that the above verse was the first time God spoke to the created man and He proclaimed unquantifiable blessings which reinforces man's installed capacity found in verse 26. You are created to be a god to the world. God waited to create man on the last day of His creation activities so that this man can superintend over what He created from Day 1 to Day 5. You're meant to take charge over the earth while God rules over heaven.

God wants you to be in charge, you're meant to have dominion over all the earth and every other creation. Joshua was a man who understood and enforced this mandate. This was when he reminded the Sun that it is under him and commanded it to stand still. This instruction, the Sun heeded in the valley of Aijalon [Joshua 10:12]. My beloved, you are a god. Nothing and no one should intimidate or stop you from dominating your world. The supernatural life is yours to live to the glory of God. Shalom, shalom.

GOOD REPORT

Victory over ICAN Final Exam and an Oil Company job

Brethren, join me in blessing the name of the Lord for His goodness upon my life. I struggled with advanced taxation in the final stage of my ICAN programme. I attempted it for four times and even gave up at some point. Thankfully, God showed up for me and proved that He does not forsake his children and that delay isn't denial! I am now qualified as a Chartered Accountant and the Almighty also blessed me with a new job in an oil company! I want to say a big thank you to God, the Highland Church family, my parents, brothers and friends who encouraged me! May the good Lord continue to guide and bless us all, Amen.

Palm Sunday comes early at Highland Church

The Senior Pastor's directive that Highlanders bring palm fronds for last Sunday service indicated that the day's service will be quite phenomenal. This turned out to be the case as there were ecstatic moments in both the first and second services when fronds-raising worshippers erupted in jubilation, shouts, jumping and praises to God for seeing them through to the last day of a 21-day solemn assembly by the church since January 4. This glorious part of the service started with saxophonists playing a tune customary in Israel whenever a thing of joy happens. At the sound, earth-quaking shouts erupted from the congregation as the choir joined in leading worshippers in the auditorium to sing and do the dance they've never done before. Members with various

expectations had been charged to dance in line with their faith that they've got divine answers to their prayers. This brought about an electrifying atmosphere as every worshipper danced with so much energy and glee to glorify the name of the Lord. Palm Sunday couldn't have been more practical, it was truly a Hosanna Service which left Highlanders convinced that the manifestation of their fame and glory has commenced. What a victorious way to end a 21-day fasting and prayers! It's expected that people will begin asking the typical Highlander: "How did you break through?" (Genesis 38:29) even as an entire city will ask: "Who is this?" as they sought to know of Jesus in Matthew 21:10. In orthodox denominations, Palm Sunday is celebrated a week before Easter, but Highland Church has now redefined this festival to the glory of God. Hosanna in the highest!!!
