

STEP INTO Sonship

Issue 21-0224

It takes Sonship to manifest to your world. A lot of Christians are not manifesting or shining as they should because they're yet to step into Sonship. There is a status called **Son of God** and its essence is power and authority. Attaining this status entitles you to exercise dominion over creature and makes the earth and its fullness thereof yours for the taking. The manifestation of children or baby believers is not what creature are earnestly yearning for. They only anticipate the manifestation of mature sons of God.

Galatians 4:1 teaches that *the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all; But is under tutors and governors until the time appointed of the father.* Despite owning everything, an underage heir is not different from an employee as long as he is a child. He can't take ownership of the estate and is placed under the control of his father's staff.

There are certain levels you can't operate in as long as you are a child. In the secular space, a minor cannot be a president, they cannot even vote or be voted for. No matter how much a father loves his boy or girl, he cannot allow them drive his car until they come of age. The cars will eventually be the children's inheritance but he cannot allow them operate the automobiles yet. Likewise, Christians own all things but cannot manifest this ownership if they are immature. Such Christians can outgrow this immaturity by stepping into Sonship.

Even so we, when we were children, were in bondage under the elements of the world (Gal 4vs 3). This scripture reveals that

a baby Christian is subject to nature but attaining Sonship exempts this son from the plight of people of the world. Indeed, a certain level of glory can't come upon you until you've grown in spiritual matters. From Galatians 4:4-7, we understand that Jesus came so that we can equally become sons. This is to put an end to you becoming like a servant and entitle you to controlling the estate of your Father.

Jesus' humanity is also to make you God's adopted son and joint heirs with Christ. By this adoption, you've been called to live and enjoy Jesus' kind of life. You can now appreciate why the world would wait for your manifestation. Romans 8:29-30 make the adopted Sonship mystery clearer when it said: *For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.*

The extension of Jesus' kind of life to you empowers you to bring into conformity any aspect of your life that does not represent Jesus. God has called you from your former sinful life and has adjudged you guiltless regardless of your past misdeeds for whosoever the Son of God shall set free is free indeed. God also ensures that the lives of these justified people radiates His glory. However, this glory referred to in Romans 8:30 won't happen until you conform to the image of His Son.

Jesus declare in John 20:21 that as my Father hath sent me, even so send I you, believers should be workers of miracles, signs,

wonders with testimonies wherever they go. Your generation should not be seeking signs and miracles when you're there. It's a no-no for demons and principalities to be tormenting you or fiddling with your life. It is you who should be a terror to them in line with your Sonship mandate.

Regularly check yourself to be sure that all aspects of your life are in conformity with the Character of Christ. As a believer in Jesus, who got money from the mouth of a fish, you cannot be lacking start-up capital. Jesus Christ, our First Born was never in lack while on earth; even what was little is more than enough for Him as demonstrated in the feeding of five thousand people with five loaves of bread and two fish.

You're born again to conform to the image of God's First Born Son which makes you a Son. This should always find expression in your life. Whenever you hit a brick wall, take a minute or two to tell the Holy Ghost that there must be a way out, then plunge right into that obstruction and see the manifestation of your Sonship. We can't be more blessed than this! I encourage you to regularly speak in tongues (Language of the Holy Spirit). By so doing, you will mature your spirit and step into Sonship. Be blessed!

GOOD REPORT

RESTORATION BEYOND MY IMAGINATION

Last December, I had a couple of bad experiences; I had an accident, there was a fire incident in my room which burnt everything in the room. Things were really tough for me. But to the glory of God, I have now been restored beyond my heart cry. I want to thank God for my business. From my humble beginning, God has now linked me with clients within and outside the country. I am super excited for how God started with me in 2021. He has been giving me brilliant ideas and plans too big for my age. I also want to thank God for giving me peace of mind. The God of Highland Church has helped me to accomplish with ease things that are difficult for many. I am super ready for what the Lord is about to do in my life. I can't wait to share it to the world. Praise the Lord!!!

You wouldn't want to miss the pleasant mood in Church this Sunday. Preparations are being made to make the services of the day such that will spur you to celebrate the goodness of the Lord upon your life and all that concern you. We do this because celebrating in the presence of the Lord keeps the devil away and makes us have more reasons to rejoice. Philippians 4:4 charges that we: Rejoice in the Lord always. I will say it again: Rejoice! Prepare then to come rejoicing in His presence this Sunday at 8:30am and 10am.

How wonderful and pleasant it is at HCM

The Highland Cell Meeting (HCM) is not just an avenue for us to be exposed to the captivity-turning Word. It is a fellowship where you can share your burden and be prayed for by the brethren. This happens under the Lord's feet, which is an assurance that such prayers are bound to be answered. Psalms 133 says: How wonderful and pleasant it is when brothers live together in harmony... and there the Lord has pronounced his blessing, even life everlasting. Come therefore let's tap into this everlasting blessing as we fellowship in the house this Saturday.

Become a Prayer-Chain Partner

There is an operation going on in Highland Church which you should be a part of for your spiritual growth. This is the Prayer-Chain Initiative of the Prayer Winners department of the Church. A prayerful church is a healthy church; the great move of God palpable in every service and programme at Highland Church is, among other factors, a function of the fervent supplications of the brethren. With Prayer-Chain Partners, Highlanders are paired and allotted days of the week on which to pray. The next team picks up the baton the day after in such a manner that prayers are being carried out for the Church leadership and members day-in, day-out. This operation is not just for members of the Prayer department but is opened to all who seek an increase in intimacy with God. Interested highlanders should meet with Pastor Lanre Omojowo and Pastor Atinuke Aborowa to be conscripted into this spiritual force. Meanwhile, the on-ground prayer meeting of Highland Church holds every Saturday between 8am to 9am at the Upper Room of the main building in Bethel.
