# Solving

## Complex Business Problems

Running a business is like solving a complex mathematical problem. You need a trusted partner to be with you on the journey.

$$\begin{aligned}
 ax^2 + bx + c = 0 &\Rightarrow x^2 + \frac{b}{a}x + \frac{c}{a} = 0 \\
 &\Rightarrow x^2 + \frac{b}{a}x = -\frac{c}{a} \\
 &\Rightarrow x^2 + \frac{b}{a}x + \left(\frac{b}{2a}\right)^2 = \left(\frac{b}{2a}\right)^2 - \frac{c}{a} \\
 &\Rightarrow \left(x + \frac{b}{2a}\right)^2 = \frac{b^2}{4a^2} - \frac{c}{a}
 \end{aligned}$$

$$\begin{aligned}
 &\Rightarrow \left(x + \frac{b}{2a}\right)^2 = \frac{b^2}{4a^2} - \frac{4ac}{4a^2} \\
 &\Rightarrow \left(x + \frac{b}{2a}\right) = \pm\sqrt{\frac{b^2 - 4ac}{4a^2}} \\
 &\Rightarrow x + \frac{b}{2a} = \frac{\pm\sqrt{b^2 - 4ac}}{2a} \\
 &\Rightarrow x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}
 \end{aligned}$$

## WHAT GOD IS DOING THROUGH **HIGHLAND CHURCH**

Highland Church is a community that is built on the foundation of acceptance. A Church that is home for everyone. We understand how it feels to be distant, disconnected and feel undeserving of love hence are out to replace such feeling with the love of God.

Highland Church has a global mandate to transform lives. We believe everybody is born with a grain of greatness, and with the right association and under God's grace, a truly influential and global leader can emerge. We feed those connected to us with the right nutrients that grow them into leaders in different spheres of life.

We teach the word of God in an atmosphere of genuine love, friendliness, worship, prayer, and fellowship. The undiluted word of God is administered to the distressed, dejected, and indebted, in order to transform them into shining lights and compelling voices in the world.

At our worship centres, everybody is valued as somebody important with no one relegated to the background and made to feel inferior. No life remains the same after spending three months in Highland Church.

Through the special grace of God, we have been able to create an environment of transformation that grooms global pacesetters across board. Highland Church is raising a rare breed who are empowered by grace to shine as lights with rulers and presidents coming to the brightness of their rising.

## Senior Pastor's Word on **Highland Church's First Anniversary**

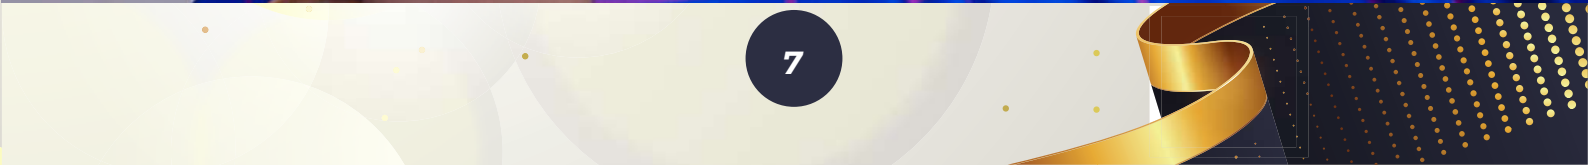

### **Dearly beloved,**

You are warmly welcome to the first anniversary of Highland Church. God has helped His Church to clock one year with so much to show in the lives of members and in the Ministry. In the light of His faithfulness, we must return all thanks to the Lord. Together with my co-workers in the Vineyard, the highly esteemed CEC Members, God has used us to provide formidable and inspiring leadership to the Ministry. Our team of pastors has also assisted greatly in tending to the flock and pursuing the vision which the Lord has graciously committed to us. Our directors, heads of department, their assistants, the Church workforce and the cell leadership have also laboured with us in various

capacities to ensure that Highland Church is what it is today. I pour my heart of gratitude to all of you and pray that the Lord will immensely reward your labour of love and sacrifice. My thankfulness also goes to the staff of the ministry for their diligence and unflinching commitment to the vision since inauguration till date. To members of Highland Church and friends of the Ministry as well as family members who are connected to this household, I warmly appreciate you and pray for God's continued blessings upon you.

Highland Church is a Commission that kicked off at the height of the Covid-19 pandemic when the economy and the world were completely locked down. However, the lockdown of the country could not stop the setting in motion of God's vision for His Church. Highland Church is conceived to be on top of the mountain with people from all nations of the world flowing into it. In the past 365 days, we've seen the actualization of this prophecy with our City set on the hill, not to be hidden or mistaken, according to Matthew 5:13-14. To the glory of God, Highland Church has shone as light in the last one year, with phenomenal testimonies in tow. These confirm God's faithfulness to His Word and all He promised to do on this Mountain.

The Prophetic move prevalent in Highland

Church started from the very beginning. At the inauguration service attended by few persons due to the lockdown in town, my father in the Lord, Pastor Segun Kingsley, who came from the UK to inaugurate and dedicate the Ministry, charged us to start looking for a bigger venue because our 300-capacity auditorium at the time will soon become too small for the number of those who will come to worship God in Highland Church. True to this word, the Church's location in Yaba, Lagos became inadequate for the membership barely one month after the lockdown was relaxed in Lagos, around mid-August 2020.

The ban on religious gatherings was lifted by the authorities on August 19, 2020 and by the end of September, the auditorium in Yaba could no longer contain the members, necessitating the commencement of two services on Sundays. By March 2021, we were already out of the place to a more spacious facility in the heart of Lagos, which the Lord named Goshen. God supernaturally provided the funds for us to get the property and build it to standard. In a matter of weeks, we are now having two services in Goshen following the increase in membership.

Let me at this juncture thank God for the over 250 fantastic workforce He has blessed us with. They have proven themselves to be faithful and committed to the Church. Come rain or shine,

they are always around for Operation Save Them, winning souls for Christ. Once you share a vision with these workers, they are inspired and wholeheartedly run with them. This is one of the reasons Highland Church is what she is today. We've got dedication and high work ethics.

Our membership are so wonderful. They've been quick to catch up with the dynamism and prophetic auction in Highland Church. Although our prayer pattern is quite intense, they've been able to flow with it. They've also been able to relate with the message and adopt the teachings from our altar. Highland Church is home for all and accommodates everyone no matter their level. The Yoruba congregation are having Church and enjoying it. Our messages are very simple with great music to match.

What do we see looking into the future? God has already revealed the plan he has for us in Jeremiah 29:11. We are therefore assured that the future is glorious for Highland Church. The prophetic word the Lord gave us in Isaiah 2:2-3 and Matthew 5:13-14 validate this. He said we shall be exalted above other hills and every nation shall flow into this Ministry. God has planned something great for everyone connected to Highland Church. We've spent the last one year laying the foundation. It's time to build on this foundation. I therefore encourage every member to stay connected and remain

committed.

I see expansion and testimonies. The God who has done phenomenal things for us in the past one year, will do more. I see our spirituality getting to a higher level. We won't stop doing what brought us this far. Highlanders should expect more disruptions, spiritual demands and instructions for their promotion and in order for the Church to realise the great vision which heaven has given to us. As long as you are committed to the work and connected to God, you will be a partaker of the glory of this latter house which God said in Haggai 2:9 will be greater than the former. Indeed, the future is so splendid for Highland Church, keep being a part of it.

## ANNIVERSARY COMMITTEE CHAIRMAN'S ADDRESS

### **I greet you with the love of God.**

With thanksgiving to God Almighty, the giver and renewal of grace, I glorify God for how far you have taken your Church. I'm most gracious to the Senior Pastor of Highland Church, Pastor Joseph Aborowa, for the opportunity to chair the first Anniversary Planning Committee. May God continue to uphold you with His righteous hand and empower you to keep delivering on the mandate of raising global leaders; empowered by grace. Special thanks to my first-class committee members for their hard work, time and resources to put a world-class programme like this together; the Lord will reward you abundantly.

The theme of this anniversary - This Far By Grace - encapsulates the faithfulness and benevolence of God towards us at Highland Church. A church that was birthed in the thick

of COVID-19 pandemic, a struggling economy in the stormy world of uncertainty, can only stand tall within 365 days by the grace of God. For us at Highland Church, it has been: nothing missing; nothing broken - to the glory of God. As a Grace Church, we enjoy God in ways that words cannot describe evidenced in the avalanche of spectacular testimonies we've received regularly. The Grace of God has sustained us in the place of consistent daily prayers powering us to higher levels of power and glory. The hand of God is mighty on all our services and programmes with remarkable testimonies in tow. The church has grown spiritually, numerically and physically. Our evangelism drive, personally led by the Senior Pastor, has yielded tremendous results with lives steadily being saved and transformed to the glory of God. Highlanders testify of increase, forward & upward trajectory, transformation, elevation, promotion, celebration and congratulation.

As we reflect on the goodness and faithfulness of God these past 365 days, we remain humble in this journey of faith as we continuously depend on God as our only source and inspiration. The task ahead of us is humongous but we remain resolute, focused and passionate to make Jesus proud in this end-time. I congratulate you all for witnessing this first anniversary and I'm super excited to be part of the great team that made it happen. My prayer is that this vision will outlive many generations to come if Jesus tarries. Amen.

Proverb 4:18 (But the path of the just is as the shining light, that shineth more and more unto the perfect day) succinctly affirms the future of Highland Church and her members. I invite you to join us in this glorious path of raising global leaders that shines more and more until the bright and morning star returns.

A host of Programmes are lined up to celebrate and thank God for This Far By Grace. Earlier this Anniversary Week, we had a two-day Free American Heart Association (AHA) Basic Life Support (BLS) and Advanced Cardiovascular Life Support (ACLS) training for LASAMBUS and other health workers from hospitals in Lagos State. This weekend, Ministers Victoria Orenze and Peterson Okopi are on board to lead us in great worship and thanksgiving sessions. The Highland drama group and Choreography team are on standby to bless you with uplifting ministrations. The Children Church will also participate actively as we roll out the carpets and drums to celebrate.

Happy Anniversary, Highlanders!

Pastor Omoniyi Osunsanya,  
Chairman, Anniversary Planning Committee.

## MEMBERS SHARE THEIR HIGHLAND EXPERIENCE

### **Bro Samfolusaye Abraham**

I really appreciate God for what Highland Church has done in my life. July 11, 2020 is just like yesterday when Highland Church was formally inaugurated. It is quite difficult attempting to reconcile where Highland Church was then and where she is now. On that inauguration day, I remember Pastor Segun Kingsley asking us to begin looking out for a bigger venue and within one year God has now enlarged the coast of Highland Church. And we just scratching where God is taking Highland Church to. I believe we will be experiencing a major leap between where it is currently to where it will be by the next anniversary. This is because the scripture assures us that the path of the just is like a shining light which shines brighter and brighter until the perfect day. I'm very sure that very soon, the whole of Lagos State will soon come of know of this City of Light and Highland Church. I want to use this medium to send my greetings to the Senior Pastor, CEC members, pastors, leaders, workers and the entire membership on this occasion of the Church anniversary. May we not relent on the good works we're currently doing for God will surely reward us. Sis. Afolashade Adeleke

I want to thank God for seeing the first anniversary of Highland Church. My experience has been from glory to glory. There have been testimonies of great ideas, good jobs and favour all round. This first anniversary will surely take Highland Church to another level of glory. Greater things will continue to happen here in Highland Church. The hands of God will continue to be upon the Senior Pastor and all other vessels God is using to impact lives in this ministry.

### **Bro. Damilola Osifala**

It has been 365 days of encounter with God. God's mercies, favour and blessings. I really thank God for how far Highland Church has come. What we've experienced so far and where God is taking us as a Church. I really want to congratulate every Highlander for witnessing this one year anniversary and I pray that God will take us to places we've never imagined. Highland Church will keep growing from grace to grace. It has really been this far by grace. Happy one year anniversary.

Hello everyone, I am so grateful to God that we are experiencing the one-year anniversary of Highland Church. I was already a member during the inauguration and I thank God for everything He has done in my life through Highland Church. I thank God for grace, for new beginnings and for my family and loved ones. Through Highland Church, we are sure that everybody is fine and also know that we serve the living God. Talking about the first anniversary of Highland Church coming up on the 10th and 11th of July, I have been blessed by this ministry in a massive way. Since I became a part of this family, I've been moving from glory to glory and grace to grace in my life, career, finances and even family. God has been awesome in my home. I pray that the Lord's blessings will continue to be upon this Church and every Highlander. Happy First Anniversary.

## Odika

Hurray! Highland Church is a year old-already. It has been 365 days of awesomeness and glory. It has been 365 days of greatness and grace. Trust me, it can only have been God and His grace that brought us this far. We have more than enough reason to celebrate the goodness of the Lord upon us and his Church. I will like to wish all Highlanders a happy one year anniversary. God bless us all.

**Sis Mary**

## Olayiwola

I am indeed grateful to God for Highland church. Ever since the inception of this Church when I've been a member, I've been blessed tremendously and I must say it has been from one level of glory to another courtesy of the grace of God in Highland Church. I can't reconcile when I joined and my present status today. I am using this medium to congratulate Pastor Joseph Aborowa and the entire members of Highland Church on this first anniversary of our church. I pray that God will continue to use Highland Church for the spread of his kingdom. Hurray!!!! Happy first anniversary, Highland Church.

**Bro. Samuel**

## David

Since inception, Highland Church has really impacted my life in many aspects, be it spiritual or careerwise. The introduction of the Highland Cell Meeting has been a great blessing to me. In the last one year, I've been running a school programme on Sunday which is making my physical presence in church impossible, but through the Highland Cell Meeting, the Church has been brought closer to me and I've also been a partaker of the daily blessings. Also, Highland Church has built my efforts in soul winning within the last one year. As the Church marks her first anniversary, I wish Highland Church more growth in the grace of our Lord, Jesus Christ,

Amen!

## HOLY GHOST **OUR HELPER**

**A** lot of people are mistaken in their understanding of destiny helper. This wrong notion explains why destiny helpers are not forthcoming. It is incontrovertible that some people have been positioned to get you to the palace or that great destiny you carry. Even Joseph whose trajectory teaches that there is a place for destiny helper, acknowledged this in Genesis 40:14 when he told the chief butler, whose dream while in prison he just interpreted, ***to think on me when it shall be well with thee, and shew kindness, I pray thee, unto me, and make mention of me unto Pharaoh, and bring me out of this house:***

The incarcerated official, who was to be restored to his very close position to pharaoh, was meant to be Joseph's destiny helper ***Yet did not the chief butler remember Joseph, but forgot him***, according to verse 23. This man to whom Joseph was good and friends with while in prison to the extent of knowing his countenance did not only forgot him but ***forgot*** him for two whole years. This is why you must not see any man as your destiny helper; they will always forget either willfully or conveniently. But thank God for God, who is our real Helper. He has a way of compelling destiny helpers to do what they should do even when they are unwilling or had forgotten the good turn you did them.

When the chief butler forgot about Joseph and his specific plea to him, God created a need in the palace which left the former prisoner with no other option than to recommend Joseph to the king. This is because the problem requires a solution which he has experienced as Joseph's forte. Further, this particular problem defied and made mockery of all the wise men and magicians at the king's service. The problem in question is Pharaoh's dream recorded in Genesis 41:1-7. As it were, God forced the hand of the chief butler to remember Joseph and do the needful which resulted in Joseph being the Prime Minister of Egypt.

The story of Mordecai, a gateman at the palace, presents another instance of our subject of discussion. King Ahasuerus was his destiny helper as Mordecai had saved him by exposing the plot by ***Bigthana and Teresh, two of the king's chamberlains, the keepers of the door, who sought to lay hand on the king Ahasuerus, Esther 6:2***. Despite this life-saving intervention that should have brought Mordecai presidential honour and dignity. This destiny did not materialize until God caused the king to suffer insomnia as narrated in that chapter.

God, stepping into the scene, made Mordecai actualize his destiny in such a fashion that his hater, Haman, who was the king's 'Man Friday', was tasked to ***Let the royal apparel be brought which the king useth to wear, and the horse that the king rideth upon, and the crown royal which is set upon his head: And let this apparel and horse be delivered to the hand of one of the king's most noble princes, that they may array the man withal whom the king delighteth to honour, and bring him on horseback through the street of the city, and proclaim before him, Esther 6:8-9.***

Beloved, no one can do it better when it comes to making your destiny come alive. Through his Holy Spirit, God can connect you to the most powerful office in the world. John 14:16, 26 (NIV) ***says: And I will pray the Father, and He will give you another Helper, that He may abide with you forever... But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you.*** There is however the need for you to play your part by being diligent for Proverbs 22:18 says: ***Seest thou a man diligent in his business? he shall stand before kings; he shall not stand before mean men.***

The Holy Ghost will direct traffic of men and angels to help you this week in Jesus name, Amen!

## WORDS THAT MAKE **HIGHLAND CHURCH AND HIGHLANDERS**

God does amazing things through prophecy. It's one of our strengths in Highland Church. We never fail to declare words of power as inspired by the Holy Ghost. As we say it, so we see it. Highlanders have been empowered to speak to anything and any situation, minding that they are the product of our confessions and that words don't die. Under God, we speak what we desire into reality, knowing that the words received from the altar of God in are spirit and life. From Joel 2:28, we understand that the major reason for the power of God that is upon our lives is for us to prophesy and see vision. It is for this reason that we hereby publish a few out of the many prophecies and confessions that have found expression in Highland Church and the lives of her members. The prophecies are as declared by God's servant while the confessions are words of power declared by the members.

### **Prophecies**

No gate of hell can prevail against Highland Church.

Highland Church is unstoppable and will overcome any challenge with ease.

Men and women have been planted in cities and nations of the world for the expansion of Highland Church.

### **Declarations that make Highlanders**

I have given you dedicated men and women of wisdom to serve as trusted vessels in Highland Church and they will serve with passion. They will walk-in begging to work for Highland Church.

In Highland Church you will see strange manifestation of giving grace.

Highland Church will acquire huge assets within a short time

I operate in a harm-free zone; sickness, accident or death can never be my experience

I'm not available for the devil to devour

Nothing can stop good things from flowing towards me

I am coming out of lack, barrenness, unfruitfulness, shame

I am planted by the rivers of water; I'm connected to my source.

Regular supplies are my portion, I have more than I need at all times.

I bring forth my fruits in my due season and with ease

I am in charge; I dominate over everything in this earth.

I've been blessed from the beginning, ancestral curses came too late

I will know what to do, where to go and who to meet for great results

I move very fast to the top and when I get there, I'm not coming down

All things work together for my good, I can't be disadvantaged

I will pass my forthcoming examination with a prize.

I am indestructible, I have the life of God in me.

2. The title.

I know you have invested in a lot of places aside the New Lagos, and if as at today you have not, then it's more like as if you have not invested in real estate at all. The best place to invest your money now in Nigeria is the New Lagos.

I know you are wondering where is the New Lagos. The New Lagos is IBEJU LEKKI- EPE area of Lagos.

## UPCOMING **EVENTS**

### ***HLC Re-opens Yaba Church***

Highland Church members living in Yaba and environs may no longer need to travel all the way to Oregon to relish the Highland experience as the Church's former location at No 22 Oweh Street, Jibowu Yaba, Lagos is set to be re-opened for services and activities as from Sunday, August 15, 2021. You can be sure that whatever is enjoyed in Goshen will also be available in Bethel. This presents an opportunity for you to evangelize and get those around you to enjoy the grace and transformation at work in our Commission. As the evangelism drive of the Church turns towards Yaba preparatory to this re-opening, endeavor to be among the evangelists.

### ***Greater Works Conference***

Highland Church International (HCI) will be holding a virtual conference tagged: "Greater Works" to connect Highlanders in the diaspora. It's an online event that will bring all our members outside Lagos or Nigeria together in fellowship. The message will be preached from Goshen with the online audience hooking up via Facebook and YouTube. During the Conference, the Senior Pastor will have real time interaction with members from different countries of the world who will connect via Zoom. This one-day conference happening 3pm GMT+ on July 31, 2021 and attendance is open to all. The idea behind Greater Works is to let our diaspora brethren know that they are in for greater accomplishments than they have already recorded. This Conference will help them understand that whatever they have accomplished by residing in the United States, Canada, United Kingdom, Europe, Asia, Middle Este etc is not the ultimate. There is something bigger for them to accomplish and to also help them see how to realize this.

### ***Holy Ghost Convention***

The annual flagship programme tagged Holy Ghost Convention will be happening from Wednesday, September 22 to Sunday, September 26, 2021. This meeting will be an improved version of the Recharge Conference that happened last November even though it will follow the same pattern. Holy Ghost Convention is a gathering called by the Holy Ghost for believers to experience His move. The Holy Ghost is calling on all believers to stay together in this convention so we can have a similar experience as the followers of Christ had in Acts 2:1-4. The outpouring of the Spirit is guaranteed in this five-day event. Anyone who has never received the Holy Ghost before will get to receive him in this Convention while those who have already received him shall be having a top up in the course of this meeting. So it is a Recharge 2.0 opportunity.

## ***I got a Job in the UK after Operation Esther encounter***

God truly resides in Highland Church. A friend and colleague at the office invited me to this Church for the Operation Esther in May 2021. Before I attended the programme, I had been believing God for a job in United Kingdom. The week after Operation Esther and after my prayers in that banquet of favour programme in Highland Church, I was invited to attend an interview for the same dream job. I attended the interview and to the glory of God, I was given the job. Praise the lord!

## ***God Gives Me More Than I Asked For in Highland Church***

One Saturday, a woman of God on evangelism gave me a Highland Church flier. When I got the flier I told her that if God can take me to a level in my job or give me the kind of job that will afford me the chance to come to Church on Sundays, then I will make it to Church. She encouraged me to come around first and see God in action. The next Sunday, I prepared and came to Church. The officials told me to write what I want from God in the form that I was given. I wrote that I want to be promoted in my workplace or get another job that will enable me worship God on Sundays. Just like that, the office invited me to write an exam. While my colleagues wrote one or two exams, I wrote five different exams. On the 15th of this month, I was invited to the headquarters where my promotion was announced. When I asked if I have been made the manager, they told me that my new position is bigger than the position of manager. God gave me much more than I asked him for in this Church. To him be all the glory.
