

ENVISION POSSIBILITIES

Issue 21-0847

You have eyes that can see far beyond the ones on your head. These eyes embody the spirit of wisdom and revelation. It was this eye through faith that Abraham used to possess the entire world when God was ready to give him as much as he could see. After Lot separated from him, God said to Abram in Genesis 13:14-15, **Lift up now thine eyes, and look from the place where thou art northward, and southward, and eastward, and westward: 15 For all the land which thou seest, to thee will I give it, and to thy seed for ever.**

The only condition God gave to Abram for possessing all of these is in him seeing it. He wisely capitalized on this spiritual eye to maximize the opportunity God presented to him. The lesson from the above scripture is that what you see determines your possession. You must envisage possibility to experience impossibility. From Romans 4:13 (NLT), we understand that God actually gave Abraham the entire world. This explains why despite the distance between Nigeria and the location Abram was at the time, we still claim to be his offspring just as the people of all nations of the world.

God willed the entire world to him because he cast his sight on owning nations when God promised to offer him as far as his eyes could see. From Canaan, Abram did not see the stretch of the earth with his optical eyes, but did with the eyes of faith. He could see to possess every nation and continent of the world when God laid this open cheque before him. What you can see with the eyes of the spirit will determine your possession.

As Christians, we must envisage all manner of possibilities with the eyes of faith. Let your vision

for possibilities be very clear. Abram could see the entire world with his spiritual eyes and got same. The scope of his vision was a manifestation of faith, which pleases God a great deal. Look beyond your physical condition to behold the greatness which the Lord has laid before you. This seeing is done with the eyes of faith. When Elijah was to be taken from Elisha. The master-prophet acknowledged his servant's faithfulness and gave him an opportunity to mention the parting gift he wants. Elisha, being mindful of his master's powers, asked for the anointing to double the miraculous works of Elijah. 2 Kings 2:10 says, **And he said, Thou hast asked a hard thing: nevertheless, if thou see me when I am taken from thee, it shall be so unto thee; but if not, it shall not be so.** This scripture confirms that there is a "seeing" that makes what is considered "hard", possible.

You must see with the eyes of faith. Elisha eventually saw his master being taken away in a chariot of fire, and got what he asked for. What Elisha saw in verse 12 automatically conferred on him a double portion of Elijah's might. It was so evident that the 50 sons of the prophet who had tried to dissuade him from seeing Elijah being taken away, surrendered to Elisha's superiority after the mantle fell on him. Without contestation, they unanimously submitted to the leadership of Elisha because he was able to see when Elijah was ferried to heaven.

My brothers and sisters, please open your spiritual eyes to see far in the realm of the spirit. Don't be too short-sighted not to see the limitless possibilities that are right before you. Your eyes of faith once open can see great things. And if you can see it, you will possess it. In all your seeing, never see impossibilities. God's word in Joel 2:28 is that, **...your young men shall see visions.**

You belong to this category of the young because you are not yet 100 years old. Isaiah 65:20 makes this point.

One of the heritages of the saint is clear vision. See beyond where you are currently. Proverbs 29:18, **Where there is no vision, the people perish: but he that keepeth the law, happy is he.** The other eye better than the one you use to look at things is called the eyes of understanding. It was with these eyes that Abraham pictured the entire world when told by God to see and be given the extent of his vision. Ephesians 1:18 (AMP) says, **And [I pray] that the eyes of your heart [the very center and core of your being] may be enlightened [flooded with light by the Holy Spirit], so that you will know and cherish the hope [the divine guarantee, the confident expectation] to which He has called you, the riches of His glorious inheritance in the saints (God's people)**

That you are small today or in a disadvantaged position doesn't mean you shouldn't see far. Abram seemed to have been disadvantaged after his nephew, Lot, went for the "choicest" part. The father of faith relied on his spiritual eyes to see the universe and today people from all continents see him as their father. Like your father, Abram, you can capture the entire globe with a product or idea which the Lord will lay in your heart. This will make the entire earth population your customer. It is highly possible, if only you can see it. Begin to see with the eyes of faith now!

GOOD Report

God Grants Me Promotion, Boosts My Finances

I bless God for His goodness upon my life and family. I also bless his name for what he has been doing in my life through my connection to Highland Church. I specially thank God for promotion at my place of work and for His grace that never fails over my life. At the beginning of the year, my finances were in a wreck, but I thank God for the restoration and boost I've experienced these past seven months of the year. I also want to bless God for the answered prayers to long awaited testimonies in my family. Hallelujah!

'All Possibilities' Perfectly Fits into 'The Supernatural'

The year, 2021 may just be regular for those out there but that can't be the case for Highlanders. This is because from the very beginning, it was proclaimed as our year to be Supernaturals. We must remain conscious of this fact from heaven even as the months of 2021 rolls by. In heaven's calendar, August is programmed as our Month of All Possibilities. And this truly conforms with our nature as Supernaturals this year. Every Sunday and Thursday service in Highland Church therefore provides an opportunity for us to understand and be equipped with all it takes to have the All Possibilities experience. Let nothing keep you away from Church this August month. Services hold on Sundays by 8:30am and 10am and on Thursdays by 6pm.

Highlanders in the Diaspora Enjoy Greater Works

Though an online event, connection in the global conference was so seamless with interactions happening real time. Brethren from over 10 countries of the world spread across five continents connected to the conference themed 'Greater Works. Aside the powerful Word ministration from the Set Man over this commission, there was an interactive session where Highlanders in the Diaspora expressed nostalgic

emotions over memories of how the ministry groomed them when they were in Nigeria and afforded them the sound footing that brought them this far in destiny. They were also excited to see one another and take good report from brethren in other part of the world. The consensus among participants was for the virtual meeting among the diaspora brethren to happen more often, even as they suggested the country where next year's conference should hold. This conference, which was anti-complacency in preference for the craving for more, threw up the following resolutions: Participants must allow God lead them; they must engage in covenant practice and build intimacy with God.
