

THE TURN-AROUND GOD

Issue 21-0850

We serve the God who can turn Ikorodu into Ikoyi. You will understand the difference if you are familiar with Lagos. The Lord effects this turn-around at the snap of the finger. This is why He is the God of the suddenly. It was so mesmerizing when the deliverance of the Israelites from slavery became a reality! After a long period of four hundred and thirty years, they were free at last! Psalms 126:1 says *it felt like a dream when the Lord turned again the captivity of Zion, we were like them that dream.* This scripture points to one major truth and that is the fact that it is only God that can make the change you so much desire to happen, and he can do this in no time.

It does not matter how long your challenges might have been, neither does it matter how impossible they may seem, the God who created the heavens and the earth out of nothing is more than able to solve them all. Hebrews 11:3 says, through faith, we understand that the worlds were framed by the word of God so that things which are seen were not made of things which are physical.

Consider the story of the men who were with King David as recorded in 1 Samuel 22:1-2, *David therefore departed thence, and escaped to the cave Adullam: and when his brethren and all his father's house heard it, they went down thither to him. And every one that was in distress, and every one that was in debt, and every one that was discontented, gathered themselves unto him; and he became a captain over them: and there were with him about four hundred men.*

About four hundred men with diverse problems of *indebtedness, discontentment and in distress* were gathered to the king. The king became a captain over them and in no time their stories changed and they became the characters in 2 Samuel 23:8, *These be the names of the MIGHTY MEN whom David had: The Tachmonite that sat in the seat, chief among the captains; the same was Adino the Eznite: he lift up his spear against eight hundred, whom he slew at one time.* Consider that the same people who were described by their predicaments suddenly became mighty men by simply associating themselves with the King, the anointed one!

God is interested in the prosperity of His people. 1 Samuel 2:8 says, *He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: for the pillars of the earth are the Lord's, and he hath set the world upon them.* Your inheritance is glory, so keep your faith fired up in order to begin to enjoy the full manifestation of the wonderful promises of God.

However, there are keys to experiencing the turn-around which the Lord guarantees. They are discussed below:

Service to God: This will make you access what money cannot buy, which are qualitative blessings. To enjoy your days in prosperity and your years in pleasure, you must leverage on serving God in the integrity of your heart as Job 36:11 tells us.

Walk in Faith: The practical life of a

Christian is a life walked by faith in God and not based on the natural senses of men. It is written in Habakkuk 2:4b. We must there choose to live by faith and see God turn things around for you

Sow Captivity Turning Seed: Sow targeted seed for the turn around you desire to see. 2 Samuel 24:25 shows how David offered offerings that brought an end to a plague in Israel.

Speak the Word: The entire world was framed by the spoken Word of God. *Through faith, we understand that the worlds were framed by the word of God so that things which are seen were not made of things which do appear, Hebrews 11:3.* A believer cannot afford to be quiet. Keeping quiet in a difficult situation can bring about an increase in your anguish as recorded in Psalms 39:2. *The passage says, I was dumb with silence, I held my peace, even from good; and my sorrow was stirred.*

My beloved, I, therefore, charge you to speak the Word of God to that difficult situation you are passing through and see God turn everything around for your good! Do this now as you utilize the earlier discussed keys so that you can enjoy the better life which a sudden turn-around from the Lord can bring about.

Witch Grandmother confesses and dies

I want to thank God for what he has done in my life and family. Since I joined Highland Church, I have experienced promotion and many more blessings. While ministering last Sunday, Pastor Joseph encouraged us to study the Word, that whatsoever we need in life is in the Word of God. His message and prayers touched me directly. Before leaving for work on Monday morning, I prayed and studied the bible. I prayed to God to expose whoever is fighting against the success of my family and is behind my mother's sickness. I asked God to make the person to confess and die. The next day, my elder brother called to inform me that our grandmother is confessing that she is responsible for my mother's sickness, that she wanted to kill her in exchange for her own life. She also confessed that she is also responsible for the sufferings of my siblings, that she does not want anybody from my family to progress, that the men in my family should be so poor that they will be begging for money from their wives. My brother also told me that my grandmother confessed too that she took the provisions I bought for her to the witchcraft coven to fight against my success in life and for me to come back and suffer in the village. But the provision from me was too hot for them that they rejected it and rebuked her for bringing such to their meeting. This was what led to her confessions and she died afterwards. Thank God for the wonder working word in Highland Church which has exposed my grandmother for the witch she is.

Three Job Offers Within 24 Hours

I want to testify to God's goodness in my life. I have been believing God for a turnaround miracle as regards a change of job ever since the year began and it seemed not to be forthcoming despite my constant applications and attendance of various interviews. In the course of this August prophesied as our Month of All Possibilities, I was charged in my spirit especially after listening to the testimony of the lady whose father was miraculously cleared from an unknown debt at his workplace. I began affirming the words of faith I heard in Highland Church over my situation. Last week Sunday after Pastor preached about setting a date for our miracle, I was stirred up in my spirit. I resolved to set a date for the delivery of my testimony and God did it for me. On Friday, August 20th, after attending another interview, I was told to wait behind and was given the job. I didn't even see myself as fit for the employment but God made it happen. While rejoicing on my way home, I got another call of congratulations for a job offer. I was elated. Yesterday being Saturday, I got yet another job offer. This is a manifestation of the back to back testimonies Pastor use to prophesy over Highlanders. It doesn't take time, it only takes God. To Him be all the glory.
