

# MIRACLE-WORKING ABILITY

Issue 21-0848

Your spirit must never be down if you are to be able to do all things which Philippians 4:13 says is possible through the strengthening of Jesus. Always be mindful of the state of your spirit because the spirit of a man sustains his infirmity; but a wounded spirit who can bear as asked in Proverbs 18:14. This scripture is affirming that a strong spirit can keep a weak body going. The spirit is so strong that the moment it escapes from the body, dead is what remains.

## Don't Be Body-Ruled

So many people go all out to makeup the body and even undertake plastic surgery, but the spirit which is the core is left unattended. Your spirit is the real you and is that part of you that should work miracles. It is the inner man which Apostle Paul prayed in Ephesians 3:16 to be strengthened with might. Your spirit should be saturated with miracle-working abilities. You can't afford weakness of the spirit. You cannot afford weakness of the spirit. Those who are weak in the spirit cannot take the right decisions in life and they are always paying attention to what people say of them. Such are given to fear and timidity.

A person who is weak in the spirit worries about tomorrow but the strong spirited prophesies into tomorrow. You will hear those with a weak spirit say; "life is not balance" without addressing why the imbalance of life is against them. Those who are weak in the spirit are body ruled. According to Jonah 2:8, they forsake their deliverance because they observe lying vanities. To work miracles, you must look beyond what your five senses tell you and give heed to what faith says.

## No Test, No Testimony

Challenges are the raw material for your breakthrough. Testimony is so called because

it is your testimonial for scaling through a test. Those challenges you are experiencing are for your next level of glory. James 1:2 enjoins us to count diverse troubles as a thing of joy for they are our launchpad to the next level. The darker the night, the brighter the day. You won't appreciate light until you've been through a period of darkness.

God created heaven and earth in Genesis 1:1 and in verse 2, the enemy set in with confusion as darkness was hovering over the face of the deep. God did not create darkness but it came about regardless. And the Almighty used same as the raw material for light. God did not keep quiet over what became of the world He created. He exclaimed in verse 3: "Light!" And light appeared. (MSG). Darkness wanted to prevail but God prevented that from happening by calling forth light.

2 Corinthians 4:6 says, For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ. This should confirm to us that in that test we are subjected to lies our testimony. You shall overcome it because God assured in Isaiah 43:2 that, ***When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee.***

## Choose to Burn than Bow

When presented with the option of compromising your faith and being cast into the fire, choose to burn and the same fire will cause your promotion. In Daniel 3, Shadrach, Meshach and Abednego opted to be thrown into the fiery furnace than bow to the graven

image set up by King Nebuchadnezzar. When brought before the emperor, these Servants of the Most High called Nebuchadnezzar by his name, telling him that ***we are not careful to answer thee in this matter.***

They insisted on not bowing before the gigantic image. This made the king order that the fire be made seven times hotter. The intensity was such that its heat consumed those who threw the Hebrew men into it. Immediately they landed in the fire, they became a wonder. The king saw the three men who were tied up and thrown into the furnace, walking freely in the fire accompanied by a personality who Nebuchadnezzar observed looked like the son of God.

After asking them out of the fire, the king and all those with him ***saw these men, upon whose bodies the fire had no power, nor was an hair of their head singed, neither were their coats changed, not the smell of fire had passed on them*** (Daniel 3:27 KJV). Beloved, your miracle-working ability is tested and proven when you choose to burn than bow. You will surely overcome the trail, with testimonies of promotion and change in level being the outcome. Take a cue from Shadrach, Meshach and Abednego.

# GOOD Report

## **Six million naira debt miraculously cleared**

In the month of April, my dad got implicated at work for something he knows nothing about, ever since then we have been praying to God to send us help and reveal the truth. Three months down the line, nothing happened but his boss insisted that he has to pay 60 per cent of that money. During the Hour of Grace and Communion Service of Thursday, July 29, 2021, Pastor Joseph told us that we can set the time for our miracles. After listening to Pastor's ministration, I got angry in the spirit that night and told God that; "enough is enough, my dad must be vindicated". In dating my miracle, I told the Lord that before the end of the same July, something must happen. And yes! God performed an instant miracle in line with my set date. My dad's boss called him in the middle of the night of July 31st, telling him to forget about the missing money. He also gave him a juicy offer to continue service with him. Indeed, what God cannot do does not exist in Highland Church.

## **Blessed with Four Offers after Years of Job Search**

I want to give God all the praise for His mercies over my life. He gave me four job offers within two months after searching for two years.

Now more than ever, I believe that the grace of God upon Highland Church is not a scam. I have seen this grace at work in my life and family on a regular basis. Hallelujah!
