

GRACED FOR GLORY

Issue 21-1056

Grace is the divine influence on the spirit of a person with an outward expression called glory. While grace is internal, glory manifests as favour, joy, peace, great beauty, prosperity, progress, abundance, and gifts. Psalm 84:11, *the LORD God is a sun and shield: the LORD will give grace and glory: no good thing will he withhold from them that walk uprightly.* Grace is so important that you need it to keep up with salvation. Ephesians 2:8 tells us that we are saved not of ourselves but as a gift of God, which is grace.

To become great in life, you need a deeper understanding of grace and also you need to allow it work for you. Radiating in glory demands being conscious of grace. Grace makes great and will take you far in life. In 1 Corinthians 15:10, Apostle Paul told us the secret of his greatness when he declared that by the grace of God I am what I am. Grace is superior to certifications and endowment and can launch you far beyond where your certification and endowment can get you. Dear Sisters, don't be obsessed with beauty and your physical appearance. Attracting suitors is not by makeovers and cosmetics. Grace remains the answer.

The absence of Grace in a man's life is the absence of glory, causing life to become a struggle. Your current status in life is a function of the divine grace released unto you. For you to experience change in level, you must increase in grace. Until there is an infusion of grace, you cannot see breakthroughs on the outside. When you carry grace, you exude glory wherever you appear. People suffer disgrace in areas where they lack grace. If you

want to live a glorious life, you must switch on the grace button.

Grace can be increased and multiplied. You can't afford to be unambitious as far as glory is concerned. If you think you are comfortable, there is a latter glory that surpasses the former one. 2 Corinthians 3:18, *We all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord.* We are meant to move from glory to glory and it is grace that guarantees this. The holy Spirit is the Spirit of Grace, so you can increase in grace by praying in the spirit and exposing yourself to messages on grace.

Pray passionately in the spirit so that you can experience an increase in grace. Your grace bank is exhaustible hence should be refilled from time to time. John 1:16 (NIV), *out of his fullness we have all received grace in place of grace already given.* You can't have enough of grace. The more grace you carry, the more glory you command. Location is not your problem. Without grace, a pauper in an underdeveloped country will still wallow in poverty if they found themselves in an advanced country.

Grace is the real thing, not location, age, or qualification. Twenty-five years of experience will be a burden when grace is lacking. The right offers don't come despite all the experience because grace is in short supply. You can speak the grace of God over your life and command it to be on the increase. 2 Peter 3:18, *grow in grace, and in the knowledge of our Lord and Saviour, Jesus Christ. To him be glory*

both now and for ever. Amen. God has placed grace and glory at your disposal. All you need is to appropriate them. 2 Peter 1:3 affirms this when it says, *According to His divine power, he has given unto us all things that pertain to life and godliness, through the knowledge of him that has called us to glory and virtue.*

This scripture also proves that Christians should be without need. What else is not covered in "all that pertains to life and godliness" which God has given us? You must therefore arise and live out these divine provisions. My beloved, let Isaiah 60:1-3 lead you to: *Arise, shine; for thy light is come, and the glory of the LORD is risen upon thee.* Surrender to God and He will brighten you so much that kings and princes will troop to the brightness of your rising.

My beloved, you are a work in progress by the grace of God. He who deposited the glory from the beginning of creation is eager to actualize this glory and move you to a higher realm of it. I'm so excited for you because the latter glory which Heaven is set to unleash upon you supersedes the former. Your destiny in God is a glorious one. Congratulations as you leverage grace to birth your glory.

GOOD Report

We serve God of all possibilities in Highland Church

I want to thank God for divine favour. I finished my sixmonths internship in April and the result of my appraisal was very good. My employers decided to retain me but as a contract staff. I was not happy over the news broken to me by the HR. I attended the Hour of Grace service in the evening with a heavy heart. I prayed to God to do something about my career as my unit head has insisted that what they have for me is a contract job. When the Senior Pastor declared May as our Month of Divine Favour, I keyed into the prophetic theme.

The next Sunday, Pastor wrapped up his message by charging us to pray at midnight into the early morning, asking God for divine favour because favour turns evil situations around. I and my sister maximized that night to pray as the next day was public holiday. When I got to the office on Tuesday, HR explained that I have been confirmed an employee instead of a contract staff, adding that confirmation letter will be released in September when those working as contract staff for the past two to

three years will be converted. During one of the Sunday services in June, Pastor said our case will not be in the order of man but would be in the order of God. I tapped into this prophecy and to the glory of God, I received the salary of a full staff that month. As God will have it, I got my appointment letter as a full staff of my organization three days ago.

I return all the praises to God.
